# THE MOTORWORLD INN

... is a natural meeting point for petrol heads from around the world as well as for Motorworld visitors, who will feel at home in this lovingly designed, nostalgic restaurant with the vibe of a vehicle repair shop.

After entering the restaurant via a glass walkway, you and your guests will receive a warm welcome. From here on in, you will feel fully immersed in our unique repair shop atmosphere. Your eyes will be immediately caught by the 1954 Buick Super Convertible suspended above the impressive 25-metre-long bar, which is well-stocked with everything a cosmopolitan guest could desire. Two old lifting platforms give the neighbouring cosy lounge a special ambience as do the original automotive memorabilia displayed in every corner. There's too much to discover in just one visit, so – as we intended – you'll want to keep coming back to see what else you can spot. Other highlights include a spectacular pizza oven in the centre of the space, where you can watch the pizzaiolos at work. You can also marvel at the chefs' skills as they work their magic behind our 15-metre-long front cooking station. In fact, all our dishes are prepared directly in front of our guests' eyes. Our various seating areas are suitable for solo diners and couples as well as small and large groups, making our restaurant the perfect, flexible location for any occasion. Whether outdoors or indoors.

# EXCLUSIVE EVENTS AT THE MOTORWORLD INN

Reserve exclusive use of the Motorworld Inn or individual sections of the restaurant for your private parties or company events. The fun, informal atmosphere is the ideal setting for a successful celebration or event.

The power of music cannot be overestimated, so keep your guests' good spirits flowing with the Motorworld music mix. At Motorworld, we love the Motown sound of the 1970s as well as Latin and soul and the styles we like to call cosmopolitan music. And we believe that these beats put everyone in a good mood. But if you want house, disco or something completely different instead, our DJ-ready sound system can make it happen. We can even arrange a DJ for you.

# THE BLACK BOX

As its name suggests, this space measuring 10 by 10 metres is completely black. It is situated behind a sliding wall directly alongside the Motorworld Inn's private dining rooms. Featuring a turntable measuring 5 metres in diameter embedded in the floor, the Black Box is an extraordinary setting for eye-catching presentations or for showcasing a vehicle to an exclusive group of clients. Simply put your product in place and make use of our built-in event technology. Then open the curtains and start your presentation.

The Black Box is also suitable for a host of other events. Just unleash your creativity! You could even use it as a private poker room at your next Christmas party...

# MOVIE CARS CINEMA

Step back in time into a charming, old movie theatre from the art deco period at the Movie Cars Cinema – a luxury cinema lounge that can accommodate up to 27 people. This exclusive and fully private venue also boasts an excellent array of technical equipment. We show previews and premieres, and can even find and play your favourite film or a car movie to whet your appetite for your time at Motorworld. Whether you're looking for a cinema night with a difference or a fantastic addition to a party, you'll enjoy an unforgettable visit.

It goes without saying that we provide a wide selection of catering, beyond the obligatory popcorn. If you're hosting a corporate event, our cinema is an impressive, elegant setting for audiovisual presentations for pitches, product launches or staff training.

# FOOD CONCEPT

Our menu is as American as a Ford Mustang, as Italian as an Alfa Spider and as German as a Porsche 911. From pizza and burgers to Wiener schnitzel and curried sausage, we put our heart and soul into cooking and baking the dishes that are most popular in these car-loving nations. Our food ranges from classic cuisine to new twists on traditional dishes and is always freshly prepared. Because it is much easier to cook well when you have good products available to you, we choose all our ingredients very carefully and source them regionally wherever possible. We also cook delicious vegetarian and vegan food.

If you wish to host an exclusive event with us, we can tailor our food and drinks to the occasion and can even prepare a full set of dishes that are not on our current menu. Our events team has already put together packages for an array of events, but would also be happy to develop a brand new menu just for you. Take a look at the following pages for an overview of our food to get a flavour of what's possible.
