

THE MOTORWORLD INN...

...is the natural meeting place for petrol heads from all over as well as for Motorworld visitors, who are bound to feel at home in this unique, cleverly designed restaurant with a workshop atmosphere. The food comprises carefully selected classics from the world's great car-making nations of Italy, the USA and good old Germany. And the service is just as you'd imagine at an Italian stazione autostradale or an American truck stop – only even better!
